

Thursday March 28 9:30-1:00 Tribute Communities Centre DWA Data Walk & Kitchen Table Conversation Lunch

Join community stakeholders, residents, researchers, program administrators, local government officials, service providers, and job seekers to engage in dialogue around research findings about our community.

The DWA values dissemination of our labour market information (LMI), this event will inform, engage, empower community members to gain a level of comfort in the local LMI data and build the capacity of individuals who may not read and interpret data, apply it to real life, and assess and discuss how the data align with their personal experience.

<https://dwadatawalk.eventbrite.ca>

Share key data and findings with community residents and program participants

Get a better understanding of local labour market information data possessed by the DWA

Participate in the data walk and join us for a kitchen table conversation

Explore other community data to tell Durham Region stories
